

Oscar

Join Our Team

We're looking for enthusiastic Trainee Recruiters to join our expanding UK Technology team.

Whether you have recently graduated or are already working in sales, Oscar gives you all the tools you need to build an amazing career with the potential to earn unlimited financial rewards.

What Makes Us Different?

The focus on your development is what makes Oscar unique. Our industry-renowned **School of Excellence** training programme, delivered by our in-house Training Manager provides every recruiter with the skills they need to control their earnings and lifestyle with uncapped commission plus a host of other benefits.

You will be joining a team of highly skilled and experienced recruiters in a supportive, energetic and close-knit environment in the heart of Manchester city centre. We work with some of the biggest brands in the world across industries including IT, Sport, Fashion, Web & Video Game Design and more.

What We're Looking For

We're looking for people with a willingness to learn, great communication skills and a self motivated, career-driven attitude to join our growing teams of recruiters.

If you're looking for more than just another sales job, get in touch today and find out what makes a career with Oscar so special.

"Working here is more than just a sales job - and your colleagues quickly become part of your social circle outside of the office. Oscar provides first class training from day one and opportunities to constantly progress your career by applying yourself."

The bonus structure allows you to grow your earnings and have the lifestyle you want based on the amount of effort you're willing to put in. In the last 12 months I have purchased my first house in Chorlton and bought myself new car - all from placing people in their dream job roles."
